	3cr. A&S course
	4cr. A&S course including lab science

University Breadth	
Creative Arts & Humanities	3cr. course
History & Cultural Change	3cr. course
Social & Behavioral Sciences	3cr. course
Mathematics, Natural Sciences, & Technology	3cr. course

A & S Rules:

1. Each group must be represented by at least 2 different departments (e.g., If History is used for 2 Group B course, the third course must be from a department other than History).
2. All students must complete at least 1 four-credit Group D lab science
3. Students may use courses from their majors.
4. Students may use their University Breadth courses to fulfill one of each of the Arts & Sciences' Group requirements.

University Rules:

1. Students may not use courses from their major department to fulfill University Breadth requirements.
2. Each group must be represented by a different department (e.g., if an Anthropology course is used to fulfill Creative Arts & Humanities, then Anthropology cannot be used to fulfill any other category).
