*Continued in next column...

**UNIV 113 (1cr, P/F only)** – SkilMod: Study Skills (For freshmen & sophomores, this course focuses on identifying and strengthening students’ strategies for doing college-level academic work. Students choose a course on their schedule to serve as a target class, practicing the skills introduced in this course.)

**UNIV 114 (1cr, P/F only)** – SkilMod: Critical Thinking (Geared toward helping students strengthen their skill in approaching material in the humanities and social sciences, this course helps them analyze sources and organize, write, and support their arguments. Particularly helpful for students preparing for GRE & LSAT exams.)

**UNIV 115 (1cr, P/F only)** – SkilMod: Problem Solving (Designed for students taking courses using problem sets (e.g., math, physics, accounting, engineering), this course helps them organize their thinking and effectively approach problem sets and other problem-solving issues.)

**UNIV 167-010 (1cr, P/F only) - SEMINAR: STUDENT SELF-ADVOCACY**

Equips and empowers soon-to-be young professionals, with the tools necessary to self-advocate within the university setting and a larger global context. Examines self-advocacy skills that involve effectively communicating individual needs and wants, and navigates making decisions that lead to those goals.

**WOMS 290 (1cr, P/F only)** – Women & Gender in International Films

(Short course – 9/26-10/24)
