________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Prior UD Credit: Please list any courses taken at the University of Delaware and the grades earned. (Example: ENGL110 – A)

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Math Placement Exam results: Please note the percentage you scored on your Math Placement Exam: __________

Foreign Language: Please answer the following questions regarding your experience with languages other than English.

Which foreign language(s) did you take in high school? ________________________________

In which grade levels did you take this foreign language? (please circle all that apply) 9th 10th 11th 12th

If your program requires a foreign language, would you continue with this language? (please circle) YES NO

If your program requires foreign language and you answered NO to the previous question, which other language would you like to study? ________________________________
**Breadth Course Selection**

All students at the University must complete breadth courses for their degree, and this will help you know more about them in advance of your NSO advisement appointment.

- Go to: [http://www.cas.udel.edu/uas/new-students/](http://www.cas.udel.edu/uas/new-students/)
- Open the document called: “Breadth List Fall 2016”
- Review the course listings
- Choose at least 6 courses that interest you from each breadth category (Groups A-D) and list them below.

*If you’d like, you can use our Course Descriptions website ([https://udapps.nss.udel.edu/CourseDesc/index.action](https://udapps.nss.udel.edu/CourseDesc/index.action)) to learn more about each course.
