

Students: Access & Print What If Reports through Student Center

The What-If report is designed to assist students and advisors when a student is considering a new major or minor. It can also be used to see how a specific future course would fit into a student's current curriculum. Please note that the What-If report is a resource tool -- it does not take the place of official advising nor does it guarantee admission into any program of study.

- 1) LOGIN to [UDSIS](#). If not automatically taken to your **Student Center**, please go to Step #2.
- 2) Go to: **Main Menu >Self Service >Student Center**.

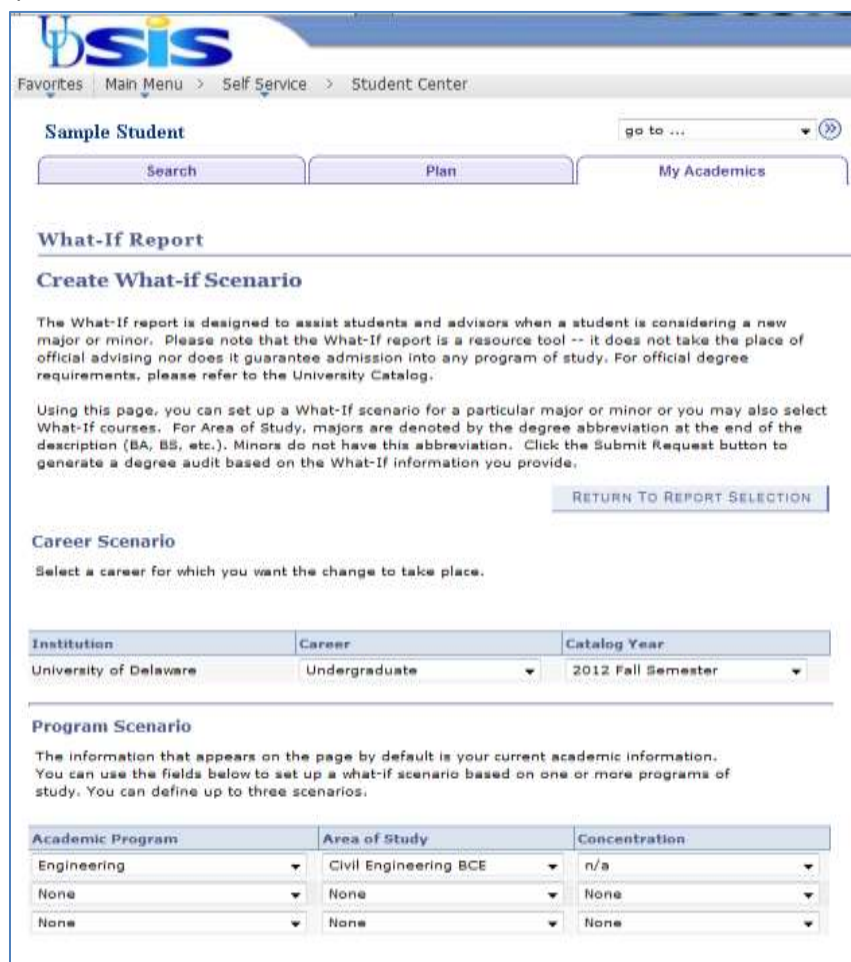

The screenshot shows the UDSIS Student Center interface. The user is logged in with UD ID: 700700700. The 'Academics' menu is expanded, and the 'What-if Report' option is highlighted with a red arrow. The 'This Week's Schedule' table is visible, showing a list of classes and their schedules. A message box at the bottom indicates that the account information is not available at this time.

- 3) Choose **What-If Report** in the pull-down menu and then click on the **Arrow** button.
- 4) Click on the box labeled **Create New Report**.

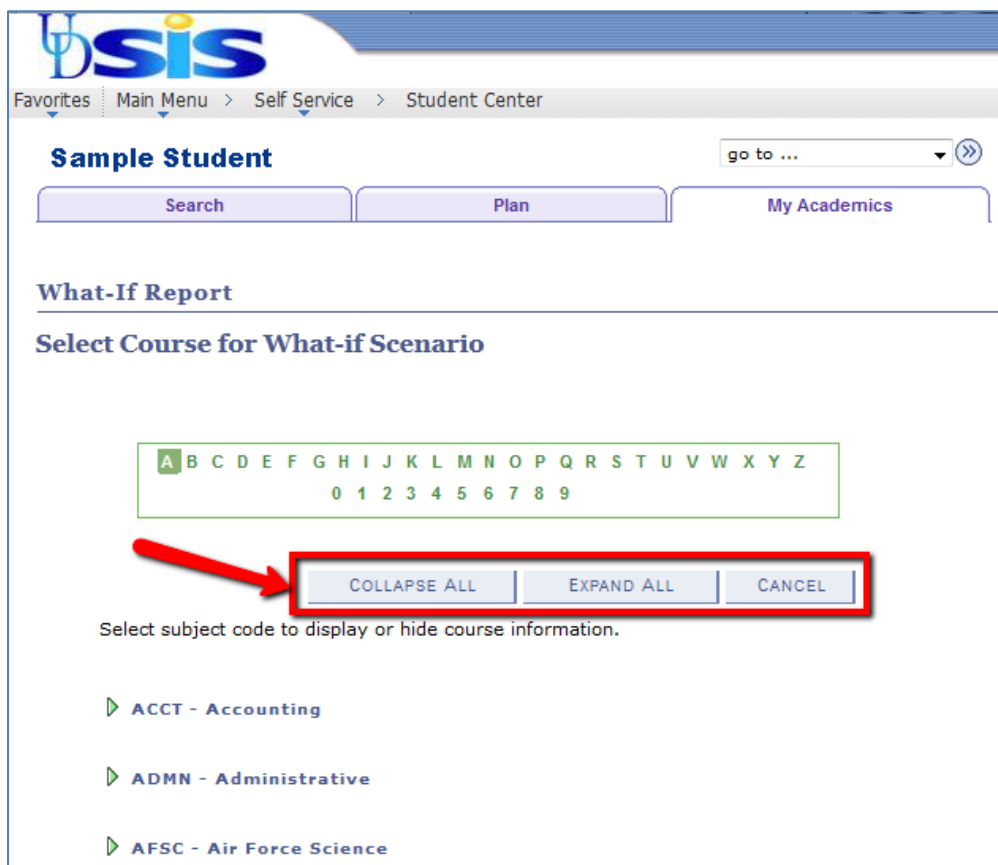

- 5) This brings you to the **What-If Report** scenario where you can set up a What-If for a particular major or minor or may also What-If for particular courses.

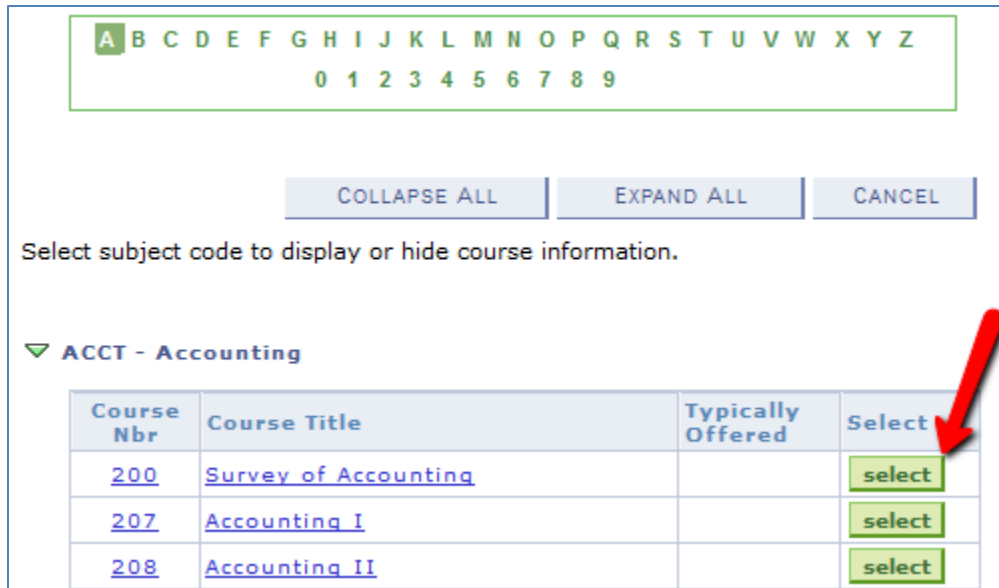

- 6) In the pull-down menus, **Academic Program** = College; **Areas of Study** = Majors and Minors, which are listed together. (Note: Majors are shown with a degree abbreviation, i.e. BA, BS, etc.)
- 7) To add courses to the What-If scenario, click **Browse Course Catalog**. (Note the ability to **Collapse All**, **Expand All**, and to **Cancel**.)

8) Click the green arrow on the left to expand an area of study and pick **Select** for the course to add.

Course Nbr	Course Title	Typically Offered	Select
200	Survey of Accounting		<input type="button" value="select"/>
207	Accounting I		<input type="button" value="select"/>
208	Accounting II		<input type="button" value="select"/>

9) Returning back to the **What-If Report** scenario, repeat for additional courses, as necessary, and then click **Submit Request** to create the report.

10) This will produce the completed **What-If Report**.
